

by Maija Puoskari

The Mater Terho Lamp is designed by the Finnish designer Maija Puoskari. Inspired by nature, Terho means ‘acorns’ in Finnish and simply refers to the organic and appealing shape of acorns found in nature. The warmth and beauty of natural linden wood combined with opal glass makes it as contemporary as it is timeless.

The choice of LED light source honors the UN Sustainable Development Goals of “Affordable and Clean Energy” (SDGs 7). Further the choice of certified wood from well-managed forests, honors the UN Sustainable Development Goals of protecting “Life on Land” (SDGs 15), “Responsible Consumption and Production” (SDGs 12) and “Partnership for the Goals” (SDGs 17).
